- **Try It Out at the Training 2010 Expo:** The expo offers top training products and services in a setting where you can compare features, make business contacts, and see first-hand what's really right for you.
- **Network at Expo Receptions:** Need a solution? Stop by the expo at the end of the day and discover how other organizations—with challenges just like yours—found answers that led to real business results. Enjoy refreshments, network with your peers, and find new, effective solutions to your greatest challenges.
